

Tele Town Hall - Get the Facts

FLS Connect's Tele Town Hall dialer uses VoIP technology to deliver your calls which allows us to connect with more people faster and redial the non-connects.

Our competition uses traditional land lines which dials at a slower speed

FLS Connect Tele Town Hall charges you per connect. You pay for the people you talk to.

Our competition charges you on total universe size. So you could be paying for non-connects, wrong numbers, faxes and busy numbers.

FLS Connect *never* charges you an account set-up fee, event set-up fee or cancellation fee.

Our competition can charge account set-up fees, event set-up fees and cancellation fees.

FLS Connect allows your events to last as long as you want, whether it's 20 minutes or 2 hours, no matter what the list size is.

Our competition provides a minimum time for events. You pay for a flat amount of time, regardless if you use it.

FLS Connect Inbound-dial rates are often less than half of what our competition charges.

Our competition charges up to \$0.15 per minute.

FLS Connect Live Operator fee is per minute of talk time. No set-up fees.

Our competition can charge a set-up fee, record fee and per minute fee.
